Shareholder Alert

Please vote for Proposals 4, 5 and 6

These are the most important items on the ballot because they are the only Board of Directors items on the ballot facing a serious prospect of defeat.

It is not often that a shareholder needs to throw his support to Board of Directors proposals on the ballot.

However these 3 items are in danger of defeat because each item needs an 80% vote from every last forgotten share of FirstEnergy stock in the attic.

So far there seems to be no sign that the FirstEnergy board of Directors is as interested in avoiding defeat on these 3 ballot as one shareholder is.

4. Approve a Management Proposal to Amend the Company's Amended Articles of Incorporation and Amended Code of Regulations to Replace Existing Supermajority Voting Requirements with a Majority Voting Power Threshold as Permitted under Ohio Law

5. Approve a Management Proposal to Amend the Company's Amended Articles of Incorporation and Amended Code of Regulations to Implement a Majority Voting Standard for Uncontested Director Elections

6. Approve a Management Proposal to Amend the Company's Amended Code of Regulations to Implement Proxy Access

If you do not feel that the FirstEnergy Board is showing enough enthusiasm in avoiding defeat on these 3 ballot items you can withhold your vote from Michael Anderson
Chairman of the Corporate Governance Committee.

You can change your vote before the meeting if Mr. Anderson makes it clear that he is working hard to avoid defeat on these 3 Board ballot items.
